

**Reopening Outdoors!
EarlyON Child and Family Centre
Eastview Neighbourhood Community Centre**

November 09, 2020

Dear Participants;

Toronto Public Health has granted all EarlyON Child and Family Centres across the city to reopen outdoors. Our EarlyON programs will be held outdoors at Kempton Howard Park in the area adjacent to our premises.

In order to ensure health and safety of the staff and participants Eastview's EarlyON team will follow and ensure that the protocols and procedures outlined by Toronto Public Health are followed.

Once we receive a permit, following the EarlyON guidelines, we will be emailing families Pre-registration and Pre-screening forms that must be filled before joining our EarlyON programs outdoors.

If you require more information or would like to be in our e-email list please contact Cecilia Molina at:

We are looking forward to seeing your families joining our outdoors programs.
